

This year the theme of the National Energy Conservation Day 2022 was **“Azadi ka Amrit Mohotsav: Energy efficient India and cleaner Planet”**.

The National Energy Conservation Day was observed by MBB College which was catalyzed by Department of Science, Technology and Environment, Tripura. The program for National Energy Conservation Day was organized by the Department of Physics, MBB College. As an extension of this program the department of Physics organized a hand-to-hand training workshop on making solar lamp on 04.04.2022. Round 60 students of 4th and 6th semester Physics Honours and the IMD chemistry, participated in this program. They learned how to make a solar lamp with the necessary components.
