

Report on Parent teacher Meeting-2023

A parent-teacher meeting was held on 20th March, 2023 in the Department of Botany, Maharaja Bir Bikram College at 11:00 am to discuss the performance of students with their parents. The main objective of parent-teacher meeting is to assist parents in understanding students progress at college and find academic and behavioral problems, if any. About ten parents of students from different semesters were present in the said meeting. All the faculty members of the department were also present. Interaction between parent and teachers were very nice. The parent teacher meeting came to an end with the conclusion that the progress and development of the students depend on the joint efforts of parent and teachers. Overall the meeting was successful.
