Report on Five (05) Day Spoken Sanskrit Program -2024

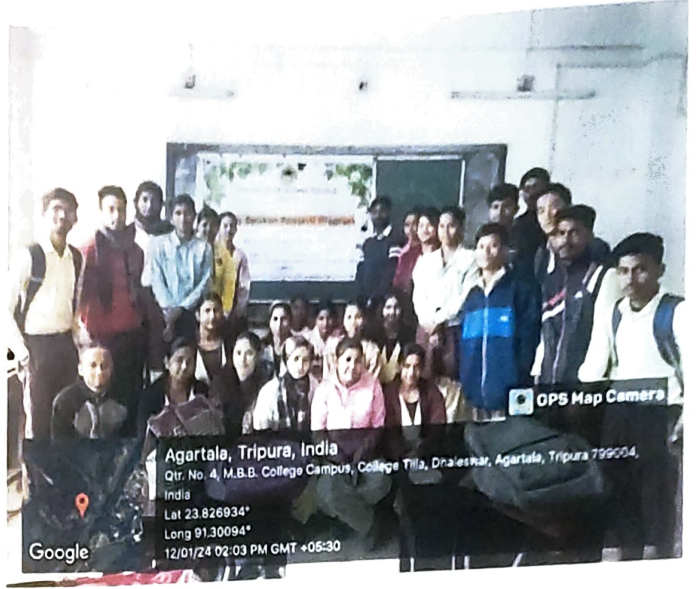

The Sanskrit department of Maharaja Bir Bikram College, Agartala, organized a five-day Spoken Sanskrit program from 08.01.2024 to 12.01.2024 for students of the Sanskrit department of the college. The Spoken Sanskrit course commenced with an inauguration ceremony held in our college on 08.01.2024.

The program began with a 'Saraswati Vandana' performed by a student from the Sanskrit department. The course program was inaugurated by Dr. Arpita Acharjee, Principal In-charge, with the lighting of the lamp. Dr. Ivy Chowdhury, Teachers' Council Secretary, Dr. Debjani Bhattacharjee, Associate Professor, and Dr. Sohini Deb Nandy, Guest Faculty of the Sanskrit

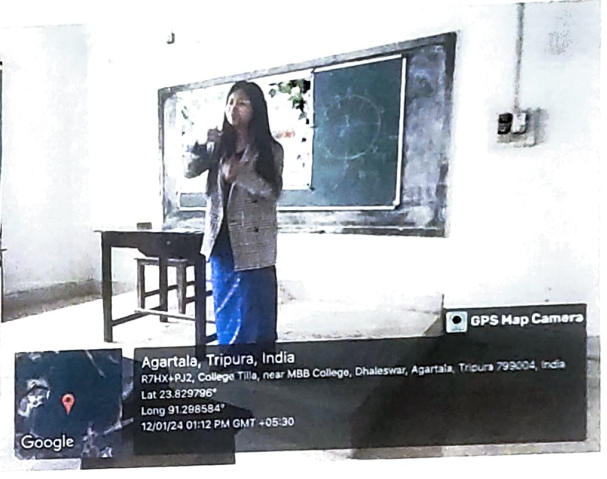

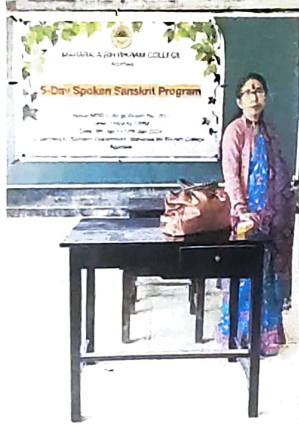

department, were present and gave their valuable speeches on the program.

Dr. Nandita Debbarma, the Program Coordinator and Head of Department (HOD) In-charge of the Sanskrit department, delivered the welcome address during the inauguration. In her speech, she emphasized the significance of the Sanskrit language and encouraged students to actively engage in learning Sanskrit.

A total of 60 students actively participated in the program. Each day, classes were conducted

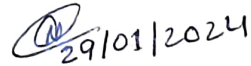

for one (01) hour by the Sanskrit department's teachers. In avoidance of hampering the regular classes, the sessions were primarily held in the afternoon. Students were encouraged by teachers to communicate only in Sanskrit in the classroom. Some students went a step further and encouraged their parents to communicate solely in Sanskrit, even with their siblings at home. It was evident that certain students dedicated considerable effort and worked hard to converse in Sanskrit throughout the course. The program concluded with the recitation of the Kalyan mantra, marking the successful completion of the Spoken Sanskrit program.
