### **Executive Summary:**

This comprehensive report presents the analysis of the teachers' feedback gathered during the academic year 2022-23 at Maharaja Bir Bikram College (MBB College). The feedback is centred around two vital areas: Academic Performance and Campus Ambience. The valuable insights shared by our esteemed faculty members provide a nuanced perspective on the institution's strengths and areas requiring attention and improvement.

### **Academic Performance:**

#### **Strengths:**

- **Teaching Quality:** A substantial number of teachers applauded the exceptional teaching quality across various departments, underscoring their colleagues' unwavering dedication to effective knowledge dissemination.
- **Faculty Support:** Many teachers expressed heartfelt gratitude for the guidance and support they received from their peers, fostering a collaborative and encouraging atmosphere conducive to professional growth.
- **Personal Growth:** Several faculty members highlighted that their academic journey at MBB College had significantly contributed to their personal and intellectual development, reinforcing the institution's commitment to holistic professional growth.

### **Areas for Improvement:**

- **Syllabus and Exam Patterns:** A notable portion of teachers raised valid concerns regarding the syllabus and exam patterns, noting their potential to induce stress and hinder overall academic performance.
- **Relevance of Syllabus:** Teachers recommended revising the syllabus to make it more manageable and pertinent to future career prospects, advocating for greater alignment between academic content and real-world applicability.
- **Exam Schedule:** There were substantial complaints about the duration of semesters and the inadequate preparation time between exams, emphasizing the need for a more balanced schedule.
- **Communication:** Several teachers requested improved communication concerning the exam routine, emphasizing the importance of clarity and transparency in academic planning.

## **Campus Ambience:**

### Strengths:

- **Learning Environment:** Some teachers commended MBB College for providing a tranquil and conducive learning environment, underscoring its pivotal role in nurturing academic excellence.
- **Cleanliness:** A few teachers appreciated the consistent efforts to maintain green spaces on campus and ensure cleanliness, enhancing the overall campus experience.
- **Extracurricular Opportunities:** A handful of teachers praised the college's ethos, which encourages extracurricular activities and cultural events, contributing to students' holistic development.

### Areas for Improvement:

- **Infrastructure:** A significant number of teachers brought forth concerns related to the college's infrastructure, including outdated buildings, classrooms, and laboratory facilities, indicating an urgent need for refurbishment.
- **Sanitation Facilities:** Many teachers expressed dissatisfaction with the state of washroom maintenance and emphasized the immediate need for improved sanitation facilities.
- **Classroom Modernization:** Several teachers highlighted the necessity of modernizing and renovating classrooms, which includes the installation of ceiling fans and improved seating arrangements.
- **Laboratory Resources:** There were concerns about the shortage of laboratory equipment, outdated chemicals, and a demand for practical instrument upgrades to elevate the quality of education provided.
- **Security Measures:** Teachers recommended enhancing security by installing CCTV cameras on campus, ensuring a safe and secure environment for all.

### **Additional Comments:**

The teachers' feedback was further enriched by insightful additional comments:

- Emphasizing the need for a more comprehensive and practical curriculum.
- Advocating for increased investment in research facilities and opportunities.
- Recommending regular faculty development programs and training.
- Suggesting improvements in administrative efficiency and streamlining of processes.
- Calling for the creation of a more inclusive and diverse educational environment.
- Acknowledging the importance of student-teacher collaboration in addressing issues and fostering institutional growth.

## **Conclusion:**

The teachers' feedback for the academic year 2022-23 at MBB College not only highlights the institution's strengths but also underscores areas that demand immediate attention and improvement. The administration should consider these recommendations and insights to enhance academic performance and the overall campus ambience effectively.

This feedback report serves as a valuable resource for the college administration, providing them with a roadmap to make informed decisions and work collaboratively towards the betterment of the institution, thus ensuring a thriving educational environment.
