DATE: 24/04/2026

VENUE: SMART CLASS ROOM, HERITAGE BUILDING, M.B.B. COLLEGE

TIME: 11.30 AM

**Report Prepared By- Dr. Chandana Acharjee
Associate Professor, Department of Economics**

An Invited Lecture Session was organized by Department of Economics, M.B.B. College, on 24th April, 2026 from 11.30 AM in the Smart Class Room of Heritage Building. The topic was very relevant to present day

situation entitled " How is the Indian Economy Resilient Amid Global Headwinds?" The invited lecturer was Retired Principal Dr. Sanjoy Roy. The session was started by welcoming the guests. After watering the sapling by the guest and other faculty members, students of the department presented a very melodious welcome song. After that, Head of the Economics Department Dr. Jayanti Bhattacharjee welcomed all by a short welcome speech and preciously delivered the insight

thoughts of this lecture session. Joint TC Secretary, Merry Jamatia added some valuable points on the topic. Afterward, the main speaker of the session has

started his lecture with a very interesting and student friendly way. He discussed about the present Economic scenario of the World as well as India too. After this interesting and informative session there was an interactive session also with the students. Respected Principal of the college, Dr. Arjun Gope felicitate the Guest

Professor with a small token of gratitude on behalf of the entire organizing team and presented a speech on this event. At the end of the session a vote of thanks has given by Smt. Soma Bondopadhyay, faculty member, Department of Economics. The program was concluded with singing of National Anthem of India.
